

- SME based in Munich/Germany and Grenoble/France
- **Software** for electronic and optoelectronic semiconductor devices (Quantum Devices)
- World leader in software for modeling THz Quantum Cascade Lasers based on GaAs, GaN, SiGe, ...
- Member of **EU project FLASH** (SiGe THz QCLs, 2017-2020)
ETH, Glasgow, Rome, IHP Frankfurt/Oder
- Software for
 - Resonant Tunneling Diodes
 - GaN HEMTs
 - SiGe transistors
 - Detectors (QCD, QWIP, ...)
